

# CNC Request Form

Name	
E-mail	
Machine	
File name(s)	<b>ex: "firstname_lastname_mm_dd_yy.3dm"</b>
Submission Date	
Tools used and setup notes / sketches	
Material and dimensions	
Tech	

"CNC technicians may proceed with the fabrication of parts based on the files listed above. I have consulted with the above named technician to produce toolpath files to my specification and I have reviewed and approved of the preview renderings of the programmed parts. I understand that any changes to the file made after submission will cause me to lose my place in the queue."
