PRINTERS

Our studio is the printing space that allows students to bring their own paper stock to use on a vast array of digital printing methods.

*we do not provide paper at the lab so please bring your own.

*each printer has a max print amount per student per day.

Inkjet Printing

For high quality printing on thicker paper stocks. (50–130lb)

To achieve the highest quality print please refer to the

High Quality Printing Guide at <http://resources.parsons.edu/labs/design-lab/>

Max Paper Size: 17" by 24"

Limited to 20 pages – 10 sheets per day

Inkjet Plotters

For poster size printing up to 44 inches in width.

Works best with roll paper made for inkjet plotters.

Limited to 20 pages for under tabloid size paper

10 pages for above tabloid size paper

Laser Printers

For high speed booklet printing. Only works w/thin paper stocks. (20–32lb)

Regular quality prints.

Max paper size 12" by 18"

Limited to 100 pages – 50 sheets per day

Risograph Printers

An automatic screen printing machine that uses an offset printing method to create vibrant & tactile prints.

Requires an Orientation to use.

Sticker Printing

A paid-for service that allows you to print & cut adhesive vinyl stickers.

Submission process online at <http://resources.parsons.edu/labs/design-lab/>

UV Printer

A paid-for service that can print on any flat surface smaller than 13" by 20"

Surfaces like :

Metal, Wood, Glass, Plastics, Candy, Thick Fabrics, Leather, but No Mirrors

Submission process online at <http://resources.parsons.edu/labs/design-lab/>

CUTTERS

Vinyl cutter

Cuts adhesive vinyl for decal & signage.

Requires an Orientation to use.

Flatbed Cutter
